Forest Schools

Thanks to everyone who has been sending bits and pieces in, keep going! The staff have had training now, and we are very excited to be working with Outdoor Adventures Forest School after half term. We have enough tyres now, but are woefully short of the other 'loose parts' bits and pieces such as wood rounds and hazel poles. If you are out and about over half term, or you know a neighbour whose tree have just fallen down, please could you help?

Bedale High School Zoom

Just to remind you that there will be a Zoom for parents of Y5 and Y6 pupils on Tuesday 13th October at 6pm. This Zoom will be exclusively for parents from Burneston School. Please check your emails for joining details.

Home-School Learning Review

A letter will be coming home with your child on Monday 12th October asking for your views on home learning – we are reviewing our procedures from during lockdown and planning for the (hopefully unlikely) event of further school closure. I'd like to make clear at this point that I don't know any more about future lockdowns than you do (headteachers find out at the same time as parents), but as usual I'm trying to get slightly ahead of the game with contingency plans and would really appreciate your input. Please frisk your child's bookbag, complete and return as soon as you can, thank you!

Flu Immunisations

Well done to everyone who lined up for their squirt and sticker from the Immunisation Team – they said what a brilliant bunch of pupils you were and how much they loved coming to our fantastic school – thank you everyone!

After School Wraparound Care

Thanks to everyone who has booked in so far, we look forward to welcoming you from Monday 19th October!

Parent/Carer Consultation Week

Look out for an appointment letter coming out early w/c 12th October. Thanks to everyone who has replied with either phone call or Zoom – your class teacher will be in touch very soon.

Governor Vacancies

We currently have three vacancies on our Governing Body. Our Governors play a vital role in driving our school forwards, and we need your help! If you can think of anyone who might be interested, or you are interested yourself, please get in touch. The workload isn't onerous, and this is a fantastic opportunity to help set the strategic vision for our school and support our children, staff and community flourish.
