Newsletter Spring 10 26th March 2021

After School Wraparound Care and Breakfast Club

Both sessions are growing week on week, which is great news for sustainability. Don't forget you can book in with Mrs Gatenby via dojo anytime during the school week, for childcare whilst you are at work.

Parent Carer Consultation Week

Just a reminder to complete the online form asap so that we can arrange your video or phone call.

Easter Eggs

Thank you so much to FOBS for providing an Easter egg for every child in school, as well as some mini chocolate eggs which we have put to good use on treasure hunts over the course of the week. I hope some of the children managed to share some chocolate with you too when they got home!

Red Nose Day

We raised the grand total of £116.24 last Friday – well done everyone!

Vacancy

We have advertised this week on the school website and through NYCC for a new class teacher, ready for our new class in September. Whilst numbers are yet to be formally confirmed, we are delighted to let you know that we will be expanding to four classes in the new academic year. I will be writing to you later in the summer term, once we have official word on how many new starters there will be, to let you know about class and staffing structures. So if you know of any excellent teachers out there who would like to join our amazing school, please point them in the direction of the school and NYCC websites.

INSET day

Don't forget that Monday 12th April is a training day for staff, we will be welcoming children back in on Tuesday 13th. Breakfast and after school clubs will be running from the first day back onwards.

Forest Schools

Forest Schools has been a huge success this year, and as the weather turns warmer, we are looking forward to even more fun next term. Falcons resume their sessions after Easter, so will need to come in warm outdoor clothing on Thursdays please.

PE sessions

PE sessions remain unchanged next term, and we would like children to come in their PE kits still please. This is one Covid change we are definitely going to continue! For your reference, PE days are: Falcons on Tuesdays, Owls on Wednesdays and Kites on Fridays. If you have any questions, please don't hesitate to dojo class teachers.

Warmer weather

As the Spring turns to Summer, thoughts in school naturally turn towards.... sun cream and sun hats! The sun can get pretty strong, and we are continuing to make the most of our brilliant setting with lots of outdoor learning. Please make sure your child has a sun hat on sunny days. It would be a great idea to put sun cream on your child before they come to school (one of the long lasting ones ideally please). We follow NYCC policy, and staff are unable to apply sun cream during the day, so if the children want to be out of the shade, a before-school application would be a great idea. Our EYFS canopy does provide plenty of shade for Owls, and there are lots of cooler leafy areas for the older children too.

Water bottles

And on that note, just a reminder to make sure your child has a water bottle in school, and that it is full of water rather than juice please. Juice is fine if your child is having a packed lunch, and children will be offered a beaker of water if they have forgotten their water bottle. We will be reminding pupils to drink plenty throughout the day, and children have access to their water bottles at all times.
