

Science

Seasons and how they change

Weather can change

There are lots of different types of weather: Rain, Sun, Cloud, Wind, Snow, etc

Days are longer and hotter in the summer

Days are shorter and colder in the winter

There are four seasons: Spring, Summer, Autumn, Winter

Living things and their habitats

Some things are living, some were once living but now dead and some things never lived.

There is variation between living things.

Different animals and plants live in different places. Living things are adapted to survive in different habitats.

Environmental change can affect plants and animals that live there.

Art/DT

Sculpture and Mixed Media

To use a range of materials creatively to design and make products
To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space
To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination

Be taught about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work

Structures: Baby Bear's Chair

Explore and evaluate a range of existing products
Design purposeful, functional, appealing products for themselves and other users based on design criteria
Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology
Build structures, exploring how they can be made stronger, stiffer and more stable
Evaluate their ideas and products against design criteria

RE

Why is the word God
so important to
Christians?
Who made the world?

Citizens
of Earth

Music

Music That Makes You Dance

How does music make us happy?

Exploring Improvisation

How does music teach us about looking
after our planet?

PSHE

Building positive, healthy
relationships
Coping positively with change

History

What is similar/different about Wimbledon today and 150 years ago?

What Burneston was like 150 years ago?

Who Reverend John Thorneycroft Hartley was and why he is a significant local figure?

How Wimbledon has changed since John Hartley's success – the clothing, technology, travel, athletes and the event itself.

How has a Vicar's job changed or stayed the same since John Hartley's time?

What daily life looked like for a vicar in the 1870s and what this tells us about the Victorian age.

Geography

Continents and Oceans

Where our local bubble fits into the wider world – town, county, country and continent

The four compass points

The names of the seven continents and their locations on a map

The names of the five oceans, their locations on a map and their key physical features

The key human and physical features of each continent of the world
